DESCRIPTION

2026 GMC Sierra at4x

Meet the brand new 2026 GMC Sierra AT4X, now available at Steele GMC Buick in Fredericton. Finished in Black outside with a Black interior, this truck brings a bold, purpose-built look that suits New Brunswick roads in every season. With a 6.2 L gas engine, an automatic transmission, and 4 roues motrices translated to four-wheel drive, it is ready for confident traction when weather and terrain change fast. The 2026 GMC Sierra AT4X is built for drivers who want real capability without giving up daily comfort. The 6.2 L gas V8 is known for strong low-end power and smooth passing response, while the automatic transmission keeps the drive easy in traffic and steady on the highway. Four-wheel drive adds control on snow, gravel, and muddy job sites, helping you stay composed when conditions are less than ideal. At Steele GMC Buick, we know a truck has to fit your life, not the other way aro...
